## How to take your measurements

- **Bust:** Measure over the fullest part of the bust/chest, under the arms and around the the back.
- **Waist:** Measure around the natural waistline, the narrowest part of the upper torso.
- **Hips:** Measure around the fullest part of the lower torso.

## Ensuring the Perfect Fit

All sizes are shown in centimetres. Please be aware that some variations occur in different fabrics which may affect the final fit, however our patterns are graded to the sizes shown.

## Choosing the Correct Size

When taking your measurements you may find you are in between sizes. If this is the case and you're unsure about which size to choose, we recommend that you contact us to discuss the garment, your sizing and your fit preferences. Our Customer Support team will be able to provide you with advice for the best fit.
